Update on Roof Project.

As you have already been advised, the stripping of the roof tiles has permitted the Structural Engineer to inspect the roof timbers in more detail and, sadly it has been discovered there is more remedial work to be done than was initially envisaged. The details of how this might be remedied has been received from the Engineer and we are now in consultation with the Contractor how this might be achieved and what are the cost implications. The church will be advised about this, along with the Project Teams recommendations, in due course. Meanwhile this has not prevented other work, like the window refurbishments, continuing. Disappointing 'Yes' but will we see our church restored 'Yes'.

The church is also still looking for someone to take on the role of (paid) cleaner - not necessarily a church member.

Different New Years Eve Celebration.

New Years Eve is a time of Celebration, reflection and expectation. So, Phil and the Elders are hosting a church party to mark the end of 2025 and the beginning of 2026.

This party will begin at around 7.30pm in the church hall, although other rooms may be used as well, with a time of entertainment.

A quiz, games and party pieces suitable for the whole family. As the 'old Year' passes. midnight approaches and New Year begins we will join together in thanksgiving, praise and prayer.

During the evening a buffet of 'party' style food and drink will be available on a 'help yourself' basis. Because of the current building restrictions space will be limited so **you are asked to book your place to church office by email** adm in@3Ccommunitychurch.org
