Catalyst

New Men's Group Initiative.

Commencing in March there will be a new initiative for 3C's 'Men United' (the Men's Group). This is a result of Stuart, Phil and a few others posing the question "How could we move forward together in our faith and influence to others?"

This initiative is going to provide an opportunity of meeting together for a "Bacon Bap & Coffee Breakfast". This to be followed by a time of sharing of testimonies of the joys, heartaches and frustrations of trying to live Christian lives in these troubled times. As 'Brothers in Christ' we can help, encourage and be accountable to each other in growing and developing our gifts and experiences, intentionally become 'salt and light' to others around us. To 'start the ball rolling' it is proposed that we would meet at 8 am on a Saturday morning to set up tables and start preparing food - Breakfast around 8.15 to 8.45 - Fellowship and Testimony 8.45 to 9.15 - Clear up 9.15 - 9.30. Go Home - 9.30 prompt! Initially meeting on the 2nd & 4th Saturdays of the month we will see how this goes with regard to dates and times. It is planned to inaugurate this new venture starting on Saturday March 14th in the Green Room (the current Main Room)

This is NOT to replace the Thursday "Stuart's - not my birthday" gatherings at 'The Old Spot' which serve a different purpose to welcome and encourage new men to come and meet with Jesus.

Current Roof news.

Sadly, the exact way forward is not entirely clear at present. Some problems with the Planning Authority require resolution and also with the potential March 'cease work' deadline for the Bat issue. The Elders have, therefore, decided that the current programme of 'Stand Downs' by the Community Groups will need to continue.

Community Group changes in 2026.

Two new Community Groups have been created one, led by Phil meets fortnightly on the 1st & 3rd Sunday afternoons and a second led by Rose meets weekly on a Wednesday morning at Ann Purkis home.

Sadly, Steve & Karen Peers Community Group is no longer meeting.
