Hill House Church Away Weekend – 14th to 16th May 2027

This is the bi-annual event where the whole body of the church tries to get away together for a weekend to share fellowship, receive teaching and build relationships away from the pressures of home and business life. It takes place near Bridgewater and has plenty of opportunities for walks, bird sanctuaries etc. as well as indoor activities for children as well as adults. We have the whole centre to ourselves and we all share in the ‘duties’ eg. Meal preparation and washing up! There is no church service back home in 3C’s that weekend as ‘the church’ won’t be there! If you haven’t been part of us before then I encourage you to speak to some of the other members of our congregation to seek their opinions. For those of us with limited means there is financial help available for you to come.

Roof Project Update.

You all should know, by now, that the revised planning consents and the Bat issues have been resolved. We have been advised, of recent date, by the contractors that work is to recommence soon! There is a meeting between our Project Team and the contractors on 8th October when precise dates will be agreed but it is understood that is likely to be very soon (i.e. in October) but that doesn’t mean we will be finished by Christmas as we are aware that some potential damage may have been done to the scaffold cover during the long delay time.

The Great Outdoors.

This event at Coaley School was originally planned for the Summer Holidays but had to be postponed. It has now been rescheduled for half term weekend at the end of October (28th-31st). This will be from 9.30am to 12pm. To remind you what it was all about here is an updated synopsis.

3C’s are running a kid’s holiday club at Coaley School. Over the three days we will be exploring some stories of Jesus meeting with people in ‘the Great Outdoors’. We will be using an “Explore the Book” resource compiled by the Bible Society as a development of the already successful ‘Open-the-Book’ school assemblies. It is intended for primary aged children in the Coaley, Cam, Dursley & Uley area.

All appropriate safeguarding practices are being employed but we do require a few more helpers to do various tasks. We have three days to cover so if you cannot manage all three mornings please volunteer to Phil what time you can commit.
